

REVIVING CONNECTION:

BETHESDA'S VISITATION MINISTRY BRINGS WORSHIP TO YOU

We are excited to share that Bethesda's Visitation Ministry has been thoughtfully renewed to better serve our homebound and hospitalized members. Rooted in Christ's compassion and the care of our community of faith, this ministry ensures that even when you can't be physically present in worship, you can still receive a taste of worship—including Bethesda's communion bread, made with love by our volunteers.

Pastor Grant and Tammy Costin are partnering in this vital work of pastoral care. Together, they are reaching out monthly to offer prayer, companionship, and Holy Communion to those who are unable to attend church in person.

These visits are not only about the sacrament—they're about connection, encouragement, and reminding each person that they are deeply loved and never forgotten.

If you or a loved one would like to be included in monthly visits with Holy Communion, **please contact the church office by phone at (218) 236-1420 or by e-mail at contact@bethesdamhd.org**

Additionally, if you feel called to join this ministry of presence and would like to be trained as a visitation minister, Pastor Grant would love to hear from you. This is a meaningful way to embody Christ's love and extend the grace of community beyond our church walls.
